This month we will also be planting seeds, bulbs etc. The children will be looking out for changes in the weather and signs of Spring. We will also be planting Spring flowers and bulbs.

GETTING READY TO LEARN

As part of our Getting Ready to Learn initiative we are sending home packs again this month. Our new theme is Creative Activities and all children will receive a lovely art and craft pack with lots of things inside to use and work on at home. Remember to check out the getting ready to learn website for helpful ideas and information.

DAILY MILE

We are continuing to do the Daily Mile and the children are really enjoying participating in this. We can see a big improvement in their skills and abilities. A big thank you to Mr Austin and the Primary School for letting use the daily mile track.

FOOTBALL

Each class continues to have the opportunity to go to the Primary School for the football sessions twice monthly. Again we can see a big improvement in their skills, abilities and enjoyment in this.

St Colmcille's Primary School is still paying for this so there is no cost to us for participating.
